Question

How can I reset my user password from the MAXcore 2.0 portal login screen?

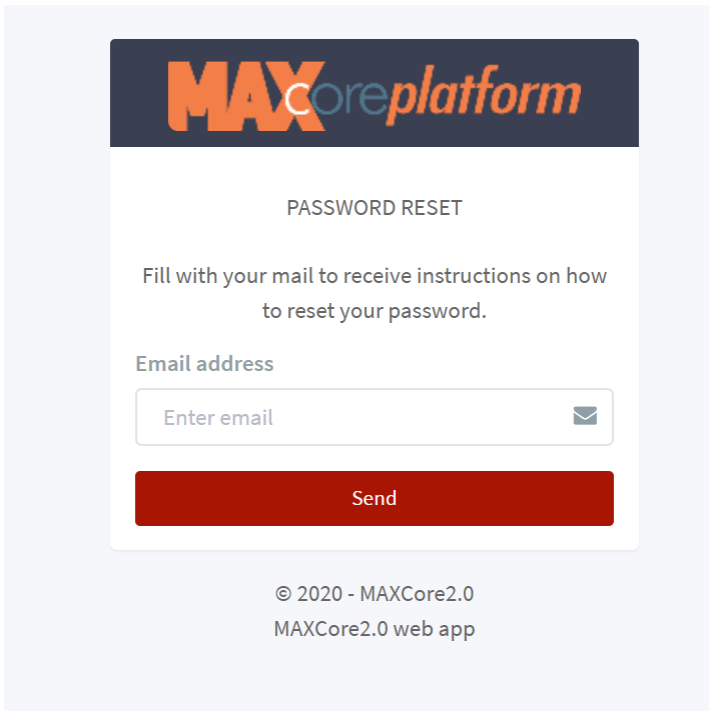

Answer

From the MAXcore 2.0 login screen, you can follow these steps to reset your user password:

You will use the Forgot Password link. Click "Forgot password?"

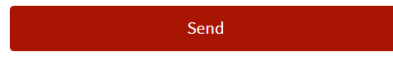

The screenshot shows the MAXcore platform login interface. At the top, the logo reads 'MAXcoreplatform'. Below it, the text 'SIGN IN TO CONTINUE' is centered. There are two input fields: the first is for an email address, containing 'testaccount@gmail.com', and the second is for a password, shown as a series of dots. To the left of the password field is a 'Remember Me' checkbox. To the right is a 'Forgot password?' link, which is highlighted by a red arrow. Below these fields is a blue 'Login' button. At the bottom of the screen, the copyright notice reads '© 2020 - MAXCore2.0 MAXCore2.0 web app'.

This will bring you to the Reset Password page. On this page you will enter your email associated with your MAXcore user account in the field provided. The email will be the same email used for your portal login ID. Fill with your mail to receive instructions on how to reset your password.

The screenshot shows a web form for password reset. At the top is the 'MAXcoreplatform' logo. Below it is the heading 'PASSWORD RESET'. The instructions say: 'Fill with your mail to receive instructions on how to reset your password.' There is a label 'Email address' above a text input field containing the placeholder 'Enter email' and an envelope icon. Below the input field is a red 'Send' button. At the bottom of the form area, it says '© 2020 - MAXCore2.0' and 'MAXCore2.0 web app'.

Once you populate the correct email, Click the Send button

to get an email with further

email with further instructions.
