

What is an auto attendant?

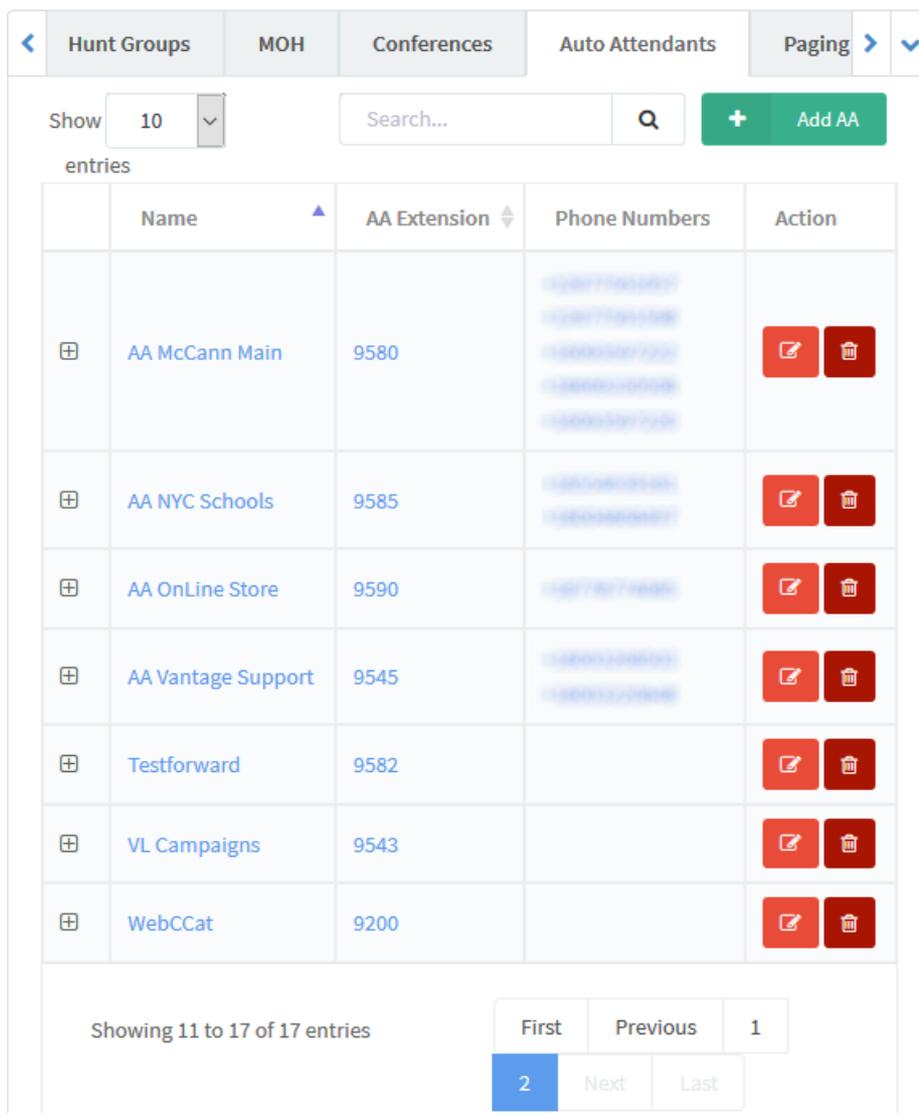

39 Fri, Feb 2, 2024 Account Administration

Question

What is an auto attendant?

Answer

Auto Attendants are used for dynamic call routing based on the caller's input. In most cases the main phone number will have a destination that points to an Auto Attendant. From the auto attendant tab you will be able to create an Auto Attendant using . Existing Auto-Attendants can be edited using  and .

	Name	AA Extension	Phone Numbers	Action
	AA McCann Main	9580	<ul style="list-style-type: none"> 1-800-778-0007 1-800-778-0008 1-800-778-0009 1-800-778-0010 	 
	AA NYC Schools	9585	<ul style="list-style-type: none"> 1-800-778-0008 1-800-778-0009 	 
	AA OnLine Store	9590	<ul style="list-style-type: none"> 1-800-778-0008 	 
	AA Vantage Support	9545	<ul style="list-style-type: none"> 1-800-778-0008 1-800-778-0009 	 
	Testforward	9582		 
	VL Campaigns	9543		 
	WebCCat	9200
