

What information can I find under Directories?

53 Fri, Feb 2, 2024 Account Administration

Question

What information can I find under Directories?

Answer

The Directories tab contains a list of names, their extension, full 10-digit number if applicable, and the ability to initiate a call through the portal when you click on the  button, your telephone(s) will ring. Once you pick-up, the selected extension is automatically dialed.
